Dear Representative Fleischmann, Senator Gaffey, and members of the Education Committee,

I  
am writing to strongly advocate for Sec.5 of House Bill H6666, which will allow for adjunct faculty certificates to be issued to the highly-trained professional artists, who serve as ECA's part-time faculty, to continue their 35-year record of preparing Connecticut's high-school students for our competitive global economy. If they are required to become certified for 10-hour per week part-time positions, they will not be able to do so and the school will close. This will be a terrible loss to Connecticut's high school students in 19 school districts.

ECA's professional artists supported my admission to college, School of Visual Arts in NYC and helped me develop skills that have formed the basis of my current career. I owe my successes to ECA.

Please Please support Sec.5 of House Bill H6666.

Respectfully,  
Rosa Radding
